

IF I WERE A CARPENTER

by Don Williams

If I were a carpenter and you were a
would you me anyway
Wouldhave my **baby/lady**

If a tinker were my **trade/trick**
Would you still find me
carrying the pots I made?
Following behind me

Seen my love through *loneliness*
Seen my love for sorrow
I've given you my lowliness
Come give me your tomorrow

If I worked my hands in **wood/world**
Would me
answer me babe yes I would
I'd put you above me

If I were a miller
At a mill wheel grinding
..... miss your colored blouse
Your soft shoes shining

If I were a and you were a **lady/baby**
Would you marry me anyway?
Would you have my baby
would you marry me anyway?
Would have my baby

Exercise

Listening Activity:

-Listen to the song and underline the correct words in bold
as you listen; also fill in the missing words into the blank spaces.

Vocabulary:

-What do the words listed in the side box mean?

Discussion:

- How many people are in the song?
- What is the relationship between them?
- Explain in a few words what the song is about.
- What question is the man asking?
